No. 252.

The 6th February 1879.

The following Notification of the Government of India, Foreign Department, Judicial, No. 15 J, dated the 29th January 1879, prescribing Rules for regulating the execution and costs of processes issued by the Civil Courts in Mysore, is republished for general information. These rules will take effect from and after the 1st February 1879, in supersession of all other Rules now in force.

Govt. of India, Foreign Dept.—Judicial, Notification No. 15 J., dated Fort William, the 29th January 1879.

His Excellency the Viceroy and Governor-General in Council is pleased to approve the following Rules framed in pusuance of Sections 20 and 22 of the Court Fees' Act (VII of 1870) for regulating the execution and costs of processes issued by the Civil Courts in Mysore :—

1.—The following Rules shall take effect from and after the 1st February 1879, in supersession of all other Rules now in force relating to the service or execution of processes.

2.—All processes issuing from the Civil Courts of the Commissioners, Deputy Commissioners, Judicial Assistants, and Munsiffs, shall be served or executed by a separate establishment, which shall consist of Amins and peons.

3.—Every warrant for the attachment of property, and every warrant for the sale, or for the sale and delivery of possession of property (whether movable or immovable), shall be executed by Amins.

4.—Every summons, notice, written order, warrant of arrest, injunction, and proclamation, shall be served or executed by peons.

5.—There shall be two grades of Amins, remunerated by salaries of Rs. 16 and 14 respectively, and two grades of peons remunerated by salaries of Rs. 8 and 7 respectively. The proportion of Amins in the higher grade in each district shall not exceed one to two in the lower grade, and the proportion of peons in the higher grade shall not exceed one to three in the lower grade. The Amins and peons of the higher grade shall be divided among the Courts of the district in the same proportion, *viz.*, wherever there are attached three Amins to any Court, one of them shall be of the higher grade, and where there are four or more than four peons attached to any Court, one of every four peons shall be of the higher grade. In exceptional cases, and with the previous sanction of the Judicial Commissioner, batta may be given in addition to salary.

6.—The following procedure shall be followed for ascertaining and regulating, from time to time, the number of Amins and peons necessary to be employed for the service and execution of processes issuing from the different Civil Courts in the Province :—

(I.) The Commissioner of each division shall ascertain the average annual number of civil processes issued from his own Court, and from each of the Courts subordinate to him, which are required to be executed by Amins and peons, respectively, under these rules, during the three years last past, or during any lesser period regarding which reliable data can be procured.

(II.) The Amins and peons to be employed in each Court shall be in number sufficient for the execution of a like number of processes, each Amin being for this purpose considered capable of executing seventy processes annually, and each peon capable of executing three hundred processes in the Munsiff's Courts and two hundred in the Courts of higher grades : Provided that the Judicial Commissioner may, on sufficient cause shewn, and with reference to the peculiar circumstances of any Court, modify the rate above mentioned, with regard to such Court.

(III.) In order to provide for the service by peons of processes of certain kinds, which occupy a longer period, and in respect of which a higher fee is charged, 25 per cent may be added in each case to the average ascertained under Clause I of this section : Provided that in no case shall the costs and charges on account of the service of process exceed the estimated or probable receipts.

(IV.) When there are in any districts several offices of any one class, such as those of Munsiffs, the Commissioners may authorize the appointment of such number of Amins and peons on the whole, for such Courts, as may suffice for executing the total number of processes, and may, from time to time, apportion such peons according to need among such Courts.

(V.) When it appears to the Commissioner that the number of processes issued out of any Court or class of Courts in any district has increased so as to render an increase of establishment necessary, he shall be competent to make the requisite increase in the number of Amins or peons ; and if there shall be a diminution of processes to the like extent, or if he shall be satisfied that the processes of all or any of such Courts can be executed by a smaller number of peons, or if it appears that the costs and charges exceed the receipts, it shall be his duty to make a reduction accordingly : Provided that intimation of all changes effected under this clause shall be reported to the Judicial Commissioner for sanction, and that all extra officers appointed shall be placed on the temporary establishment, until such time as it is evident that it is necessary to place them on the ordinary establishment.

(VI.) If in any Courts or class of Courts the amount of work fluctuates at different seasons of the year, the number of Amins and peons appointed on the ordinary establishment shall be the minimum required at any time of the year. To provide in such cases for the carrying on of the work during the busy season of the year, the Commissioner shall, subject to the approval of the Judicial Commissioner, be empowered to sanction the temporary employment of an extra establishment.

7.—For and in respect of the service of a process issuing from a Munsiff's Court, there shall be payable by the party, at whose instance such process is to be served, a fee of the amount specified in Schedule No. I, annexed to these Rules, and such process shall not be served or executed until such fee shall have been duly paid.

8.—For and in respect of the service or execution of a process issuing from any Civil Court in the Province of Mysore, above the grade of a Munsiff's Court, there shall be payable by the party, at whose instance such process is to be served, a fee of the amount specified in Schedule No. II, attached to these Rules, and such process shall not be served or executed unless and until such fee shall have been duly paid.

9.—In cases in which the party at whose instance a process is issued desires expedition in the service or execution of process, he shall pay to the Amin or peon entrusted with the process, through

the Nazir or Sheristadar, mileage, at the rate of four annas per mile, if the Amin or peon is required to travel by transit; two annas per mile, if by ordinary cart; and three pies per mile, if by rail.
